To Whom It May Concern:

This letter constitutes statutory notice pursuant to 40 ILCS 5/1-110.17.

Please be advised that the Illinois Investment Policy Board has concluded that divestment relating to Sudan-restricted companies is no longer necessary to achievement of the underlying goals of 40 ILCS 5/1-110.16 establishing the prohibited transaction and given changes on the part of Sudan and resulting cessation of federal policies relating to sanctions against Sudan. Accordingly, pursuant to 40 ILCS 5/1-110.17, the Illinois Investment Policy Board has voted to cease actions to require divestment, identify restricted companies, or prohibit transactions relating to Sudan-restricted companies.

Pursuant to 40 ILCS 5/1-110.17, the Illinois Investment Policy Board intends to change its policy and cease actions to require divestment, identify restricted companies, or prohibit transactions relating to Sudan-restricted companies commencing October 1, 2022.

Sincerely,

A handwritten signature in black ink, appearing to read "Mitchell B. Goldberg".

Mitchell B. Goldberg

Chair, Illinois Investment Policy Board
